

ISO 9001: 2008

ECE

Committed For Green & Safe World

Solar Home Lighting System

Starting From

Rs. 1111/-

System Components -

- 2 to 5 LED Bulbs or Tube Lights, Fan
- Li-ion, LFP, Lead Acid Batteries
- USB Port for Mobile Charger
- Long hours of back up
- Optional - Remote monitoring & LCD Display

Benefits -

- Safe & easy to install
- Free from noise, smoke & pollution
- Save thousands of rupees
- Get free from power cuts
- Longer battery life ensured

System Features -

- Highly efficient lamp (600/900 Lumens.)
- PWM charge controller with temperature compensation.
- Adequate protections for load and battery.
- Optional 6/12 Voutput socket.
- DC Fan (<20W). Portable TV, Tape Recorder can be used.

Solar Home Lighting System

Starting From

Rs. 1111/-

LED Lantern

LED Lantern

Battery - 7.4V, 2.6Ah Lithium Battery

SPV - 3 Wp Solar Panel

USB Mobile Charging Point

AC Adapter Charging Point

Driver - MCU Based

Protection - Short Circuit Protection, Reverse Polarity Protection, Over Charging Deep discharging

Wire & Swithes - 4 Mtr. Wire with With Each LED Bulb with on-off Switch

Backup - Upto 6 Hrs. with 3 LED Bulb

Standard Packing - 15 Pcs.

LED Bulb

LED Bulb - 3 W x 3 No's

Battery - 7.4V, 2.6Ah Lithium Battery

SPV - 3 Wp Solar Panel

USB Mobil Charging Point

AC Adapter Charging Point

Driver - MCU Based

Protection - Short Circuit Protection, Reverse Polarity Protection, Over Charging Deep discharging

Wire & Swithes - 4 Mtr. Wire with With Each LED Bulb with on-off Switch

Backup - Upto 4 Hrs. with 3 LED Bulb

Standard Packing - 15 Pcs.

LED Tube

LED Tube - 5 W x 3 No's

Battery - 7.4V, 2.6Ah Lithium Battery

SPV - 15 Wp Solar Panel

USB Mobil Charging

AC Adapter Charging

Driver - MCU Based

Protection - Short Circuit Protection, Reverse Polarity Protection, Over Charging Deep discharging

Wire & Swithes - 4 Mtr. Wire with With Each LED Tube with on-off Switch

Backup - Upto 4 Hrs. with 4 Tube Light

Standard Packing - 15 Pcs.
